### PUBLIC NOTICE

In an effort to provide the public with access to the Town of Outlook Council meetings, we will be holding our meetings via electronic means to help prevent the spread of COVID-19. Some of our Council and staff will still attend the meeting in person, however due to limited space and personal distancing rules, we are not able to accommodate a gallery of observers at our meetings.

In order to meet the requirement of holding open meetings, we will be broadcasting our meetings via Facebook Live, beginning with our April 8<sup>th</sup>, 2020 Regular Meeting of Council tonight. We do not have a limit on how many persons may observe the meeting, however since this is a new procedure for us we ask for your patience and understanding as we work through any technical difficulties that may arise.
