

## Bylaw No. 01 (2023)

### A BYLAW OF THE TOWN OF OUTLOOK TO ESTABLISH A REGIONAL LANDFILL AND TO REGULATE AND CONTROL THE DISPOSAL OF WASTES IN THE REGIONAL LANDFILL OWNED BY THE TOWN OF OUTLOOK

---

The Council of the Town of Outlook, in the Province of Saskatchewan, enacts as follows:

1. This Bylaw will be cited as the Landfill Operational Bylaw.
2. In this Bylaw, the following definitions shall apply:
  - a. "Animal Carcasses" means the whole carcass or any part thereof, entrails or internal organs of an animal that is a member of the species of caribou, reindeer, deer, elk, fallow deer or moose.
  - b. "Automotive Recycle Materials" means automotive fluid containers, oil filters, and oil and/or coolant fluids in a container manufactured specifically for oil and/or coolant fluids
  - c. "Bulk Refuse" means trees, shrubs, stumps, scrap lumber.
  - d. "Cervid Offal" means the carcasses and remains of mammals, birds, reptiles, amphibians, and fish.
  - e. "Compostable" means garden refuse, grass clippings, straw, leaves and organics.
  - f. "Construction Waste" means
  - g. "Designated Area" means separate sites within the Landfill set aside for disposal of specified refuse.
  - h. "Garbage" means putrescible animal and/or vegetable waste resulting from the handling, preparation, cooking and consumption of food.
  - i. "Household Hazardous Waste" (HHW) means equipment, material, products and substances classified as flammable, corrosive or physically hazardous. HHW can include toxic or environmentally hazardous materials, household pesticides and batteries
  - j. "Household Waste" means
  - k. "Landfill" means lands described in Section 2 of this Bylaw.
  - l. "Liquid Domestic Wastes" means any waste which contains animal, mineral or vegetable matter in solution or suspension.
  - m. "Mixed Municipal Waste" means solid waste that has not been sorted into specific categories (such as recyclable plastics, cardboard, steel, etc.)
  - n. "Recyclable materials" means any or all materials collected by the Town of Outlook or its designated agent.
  - o. "Refuse" means all wastes including garbage, rubbish and street cleanings but no liquid domestic wastes.
  - p. "Special Waste" means asbestos, hydrocarbon soils, or any other waste deemed special by the Town's designated officer.
  - q. "Solid Waste" means any solid waste including animal carcasses, bulk refuse, cervid offal, compostable, garbage, mixed municipal waste, recyclables, refuse, special waste, scrap metals, whites and wood waste all as defined in this bylaw
  - r. "Scrap Metals" means parts of motor vehicles and/or machinery containing some metal, the percentage of which is at the informed discretion of the Municipal operator
  - s. "Town" means the Town of Outlook.
  - t. "Whites" means large metallic objects such as major appliances, water heaters, stoves, furnaces, washers, dryers, refrigerators, deep freezers, dishwashers.
  - u. "Working Face" means the site within the Landfill for the disposal of garbage and refuse but no whites or bulk refuse.
  - v. "Wood Waste (Clean)" means unpainted wood, trees, brush, limbs, pallets, skids, compressed wood fiber pallets, utility spools with hardware removed. Clean wood may not contain any non-wood items, any wood treated with preservatives or creosote products or chemical/pesticide substances, plasterboard (drywall), creosote products, unsorted demolition waste, Masonite, siding, or painted wood.
3. The land described herein, having been acquired and, subsequently engineered cells created by the Town as a Landfill, is hereby declared to be a Landfill for the Town, namely:

16. The municipal operator of the Landfill shall weigh all loads going in and then exiting the landfill to determine the load weight and pricing as pursuant to Schedule "A", attached hereto, and forming part of this Bylaw.
17. All users of the Landfill will be subject to a gate fee pursuant to Schedule "A" upon entrance into the landfill area, unless otherwise stated in this Bylaw.
18. All non-contaminated automotive recycle material including used lubricating oil, used oil filters and used oil containers, coolant, and coolant containers are accepted at the Landfill. These materials shall be placed in the Eco Center.
19. Household Hazardous Waste will be collected at the Landfill annually, on special days and it must be separated and placed in an area designated by Landfill Operations staff; HHW may be collected on a continual basis if an agreement with an HHW collector is reached.
20. Recyclable materials, Household batteries, florescent light bulbs, paint cans or any other diversion collector partner programs and municipal diversion programs will be collected at the Landfill on a continual basis and MUST be separated and placed in an area designated by Landfill Operations staff
21. Loads of mixed municipal waste will be accepted at the discretion of the municipal operator, with fees for mixed municipal waste loads established in Schedule "A", attached hereto and forming part of this Bylaw.
22. No person shall deface, destroy, or alter any signs or fencing at the Landfill.
23. The Landfill Operations staff including the Manager and others shall be employees of the Town and shall have responsibility for the daily operation of the Landfill under the direction of the Superintendent of Municipal Operations.
24. The Landfill Operations staff shall weigh and record all deliveries of waste and prepare invoices accordingly.
25. Any person using the landfill must pay at the time of delivery of materials. No charge accounts will be permitted without application submitted using the prescribed form attached to this bylaw (Form 1) and subsequent approval of the Landfill Manager or, in his absence, the Superintendent of Municipal Operations, after consultation with the Chief Administrative Officer.
26. Charged to fees payable by owners, occupants and agreements made to surrounding municipalities may be subject to fee changes as determined by Resolution of Council from time to time.
27. Persons using abusive or threatening language or gestures, or otherwise behaving unsafely may be refused access to the Landfill at the discretion of the municipal operator on duty with consultation of the Superintendent of Municipal Operations or in his absence the Chief Administrative Officer. Reasonable sanctions may be applied to future use of the Landfill with increased severity up to and including permanent banned access. Any reasonable sanctions shall be conferred between the Landfill Manager, the Superintendent of Municipal Operations and the Chief Administrative Officer, all enacted sanctions shall be reported to Town Council.
28. Municipal operations staff shall, at the very least:
  - a. Designate in which areas refuse is to be placed;
  - b. Ensure that accepted solid waste is placed in designated areas;
  - c. Ensure that the Landfill is kept neat and cleaned to environmental standards;
  - d. Ensure that gates are locked and no customer is permitted into the Landfill after hours;
  - e. Ensure that non-permissible refuse is not placed or deposited with the Landfill;
  - f. Operate compaction equipment on a regular basis.
29. The Town may enter into agreement, by bylaw, with any municipality or authority, such agreement shall cover, at least the method the fees set in Schedule "A" of this bylaw shall be collected. In this case, the municipality or authority shall notify the Town of the chosen contracted solid waste transportation provider if there is one.
  - a. Authorities that the Town has a solid waste management agreement with shall be charged additional annual fees as set out in Appendix "B" of this Bylaw
30. The Town may enter into agreement, by resolution, with any solid waste transportation provider for transportation of the solid waste collected within the corporate limits of the Town, such agreement shall cover, at least, the fees set in Schedule "A" of this bylaw. The Town may, under terms of such agreement, cover the fees set in Schedule "A" of this bylaw with its waste collection fees collected from Residential Property Owners.
31. The Town shall set aside regularly, at least, funds collected as set out in Schedule "B" of this bylaw, toward a Landfill Capital Reserve
