**Town of Outlook  
Contract for Mowing Outlook Cemetery**

The Town of Outlook is currently seeking contract bids to provide mowing services at the Outlook Cemetery.

The successful contractor will be responsible for mowing and snipping all perimeter areas, fence lines, tree rows, between all plots and memorial placements to the East of the entrance road, as well as the in the Northwest and Southwest corners, and around the Columbarium. The Town will be responsible for mowing the large greenspace West of the entrance road.

Mowing and snipping must be conducted a minimum of twice monthly from May 1<sup>st</sup> to September 30<sup>th</sup>, with a potential for more frequent attention depending on the growing season and weather conditions. Duties cannot to be performed while funeral services are being held in the cemetery, therefore the pre-determined mowing schedule is subject to change. The Town will provide advance notice of funeral services to the successful contractor.

**Bids must include the following:**

- Hourly rate, and any applicable taxes
- Schedule of mowing dates and times
- Full list of equipment used
- Saskatchewan WCB letter of good standing
- Proof of Liability Insurance
- Any additional fees and charges

To arrange a site visit or to request additional information, please contact Superintendent Luke Lockhart at 306-860-7575.
