

TOWN OF OUTLOOK

FALL ISSUE 2023

Greetings FROM THE MAYOR

Happy Fall Everyone!
We have had quite the summer here in Outlook. I have

certainly been impressed by the way the community has supported us as we have ripped up the streets and made you detour every which way. The businesses along Saskatchewan Avenue and McKenzie Street should be commended for their co-operation and patience as they saw the street blocked off in front of their business. Thank you for your understanding as we complete this portion of the Underground Highway Infrastructure Replacement Project and await an announcement from the Ministry of Highways for a much needed rehabilitation of the highway through Outlook.

We have a lot to look forward to as well in the coming months. School has started and the ice is in - all of our fall activities are ramping up. The kids are back on the streets. Let's all take our time and keep our eyes open.

Please remember that I am in my little office in the Town Hall Complex most Mondays from 9:00 to noon. If I'm not going to be there, it will be posted on our Facebook page. Come on down and have a coffee with me. My door is always open!
