

June 2022 Report
Report Type: Recreation Report

For Meeting Date: Thursday, June 2nd, 2022
Report Date: Wednesday, June 1st, 2022

Prepared By: Megan Anthony

Operations Report:

1. The Swimming Pool is almost ready for opening day. We have the health inspection scheduled and once we are passed on that everything is completed and we are good to go for the season. We have really appreciated a later opening date. It has allowed us to do thorough training with the lifeguards and cashiers. It has also allowed us to get any repairs needed at the beginning of start up dealt with prior to the season beginning. We are all very excited for this pool season. The schools have booked every afternoon in June which will be great!
2. Rec Staff have been working on maintaining the ball diamonds and grass cutting around the sportsgrounds. The Multi-Sport Court is set to open June 6th! We will be open Monday-Saturday from 9:00 am-4:00 pm for drop in and we have adult rec play scheduled from 6:00 pm-8:00 pm Monday-Friday. Our first beautification summer student is set to start on June 6th so we will finally have beautiful flowers in all the planters around town. The hanging baskets are planted and we are just waiting on the back ordered brackets to arrive so we can hang them. All summer student positions have been filled at this time.

Management Report:

1. Swimming Lesson registration went pretty smooth for it being our first time. We had some troubles with the online payment but were able to direct everyone that was having issues to pay in person. We are fairly booked up for the season with a few classes having some room left. The public can book swimming lessons and private bookings on our Town of Outlook website under bookings! We have had a few private bookings come through as well.
