

Current & Upcoming Town Projects

The final phase of the McKenzie Street & Saskatchewan Avenue water and sewer service line began on July 2 and we expect it to be completed near the end of August.

The Town appreciates your cooperation and patience for the duration of these important upgrades.

The Water Treatment Plant upgrade continues on Railway Avenue and Cross Street as well as along the SkyTrail through the summer months.

The Van Raay & Community Swimming Pool repairs are ongoing, working with insurance and local contractors to see this back in service for the 2025 season.

For questions or concerns, please contact Megan Anthony at directorcd.outlook@sasktel.net or Kevin Trew at cao.outlook@sasktel.net

Please be safe around open pits and all construction equipment this summer.

Town Office

Public Works

2024 Branch Pickup Dates

July 2nd—July 5th
September 3rd—September 6th

Compost Pickup

Have compost out for pickup by 8:00am Monday's to ensure pickup during the week.

Front street pickups will be done Monday's, with remaining street/alleys done throughout the week.

Compost can also be delivered to the Outlook Regional Landfill, free of charge.

Annual Maintenance Highlights

Each year the Town assess and prioritizes projects.

Public Works staff will be out and about this summer addressing potholes, painting crosswalks, curbs and stop blocks to ensure visibility and safety.

Inspections and repairs to address wear, cracking, and tripping hazards in the downtown brick sidewalks.

Ongoing street sweeping, tree trimming, and cemetery maintenance also continue.

Fire Hydrant and Water System Programs provide improvements towards water quality and system efficiency.

Older or malfunctioning fire hydrants are also identified and replaced annually.

Kinsmen Spray Park

Located on Railway Avenue behind the Fire Hall/Town Complex.

Monday– Friday

10:00am—9:00pm

Water is activated by a ground sensor located on the North edge of the concrete pad.

*For any issues/troubles, please call 306-867-8663
(option 2)
