COMMUNITIES IN BLOOM

This Summer, the Town of Outlook will welcome Communities in Bloom judges as we showcase the beauty, pride and community spirit that make our town special. This year's theme, **Therapeutic Gardening**, celebrates the positive impact that gardens and green spaces have on our health, wellbeing, and sense of community. We encourage everyone to help Outlook look its best by giving your property a little TLC - mow the lawn, tidy flower beds, pull weeds, or pick up garbage. Do you have a yard or garden you're proud of? We'd love to see it! Send us your photos for a chance to be featured on the Town of Outlook's social media pages as we celebrate the many beautiful outdoor spaces that make our community bloom. Together, let's show the judges the pride we take in calling Outlook home! For more details, contact Whitney or visit our website!
