- The curling ice was used for 57.5 hours (nov)
- Projected to sell 148.25 hours of ice time (dec)
- Projected to offer 89.75 hours of public skate, shinny, parent and tot skate (dec)
- Schools are projected to use 15 hours of ice time
- Bowling alley is projected to be used for 81 hours (dec)
- Curling ice is projected to be used for 31 hours (dec)

Civic Center:

- Equinox was in the Civic Center from Nov. 1-19th
- 8 Days of dance
- 2 single day rental events
- 1 meeting rental
- In December we have 2 weekend events, 1 single day event, 8 days of dance rentals and 2 meeting rentals

Management:

- Facilities are currently running very smoothly. Our new employees have adapted well to the busyness of the facility and are doing very well in their roles. It feels like a weight is off our shoulders having adequate staffing.
- Our first run of bowling leagues finished December 7th. We ran a 6 week league and received good feedback regarding the length of the league as well as just in general, people are really enjoying the bowling leagues. We are planning to have leagues again in the new year. Pickleball is going very well and it is staying busy.
- Pickleball ends December 17th and will start back up January 7th.
- We created an "Olympia" as a part of our winter wonderland in the park decorations which we are very excited about! We plan to display it at the RecPlex after the winter wonderland event is over.
- Livebarn was installed in the facility - we had some issues right off the start but Livebarn was able to resolve the issues.
- I have completed another class in the Recreation Management course I am taking. I will start my next class January 8th which will be the half-way mark to being done with my course!
