

## Fire Hall Donation Recognition

Outlook-Rudy Fire and Rescue (ORFR) operates out of a sixty-year-old facility that is inadequate for the existing equipment and too small for replacement equipment.

To support our volunteer firefighters, the community decided to appeal for funds to build a new Fire Hall designed by the Firefighters themselves with the help of our local contractors.

The go-ahead for the new Fire Hall has been granted by both the Town of Outlook and the RM of Rudy as the fundraising campaign in 2024 already raised 75% of the \$1.2 million cost.

This is a fantastic community response and we want to recognize our many, generous donors. You can view [OUR DONOR RECOGNITION SPREADSHEET](#) *here* and it will be updated as we campaign for the remaining 25%.

THANK YOU ALL.
