Topic: Public Works Report

For Meeting Date: September 8, 2022

Report Date: September 8, 2022

Prepared by: Luke Lockhart

Transportation:

- DLN Construction has completed the paving on McKenzie St N, we are very pleased with the work they have done to date; remaining road work for them is Cedar Place rehabilitation, and a few small patch jobs
- We will be doing another round of pot hole repairs over the next week including residential streets as well as the highway sections
- Over the next week or 2, we will be working on updating our infrastructure and paving plan
- Hank's Concrete has finished the majority of our planned sidewalk repairs for the year; including installation of access ramps to all sidewalks in town which were previously not in place. There are 4 ramps remaining (in progress,) and the section fronting the bakery remaining to do
- We have had our second round of street sweeping recently performed by Virtue Construction, as always, we are satisfied with the service provided. We will be looking at our final sweep of the year to happen mid to end of October; depending on weather
- Cross walks, and the new sections of curb requiring paint are slated to be done next week

Utilities:

- McGills will have our annual main flushing done this week; on top of the scheduled sewer mains, we have also done areas of concern within the storm sewer system
- Raw water intake, floc chambers, and lift station cleaning will be done over the next few weeks

Environmental Health:

- The scale software has been installed at the landfill, and we will be starting our transition faze for billing next week, with full implementation with already passed rates slated to begin November 1
- Tetrtech has been on site to purge our monitoring wells and will be back to take samples for ground water monitoring

General Public Works:

- Our last tree branch pickup is on this week, along with the usual compost routes, there is lots of stuff out
- Chamber of Commerce banners are all now hung
- We will be conducting interviews early next week for the 2 positions we have open
