

TOWN OF OUTLOOK

SPRING ISSUE 2022

Free Landfill Days

The Town is pleased to offer free landfill Saturday's again this June!
In an effort to protect our staff and residents, and to facilitate shorter wait times, we have scheduled the free landfill days according to the RECYCLING PICKUP COLORED ZONES to reduce the amount of people at the landfill at one time.

Saturday June 4th – Orange Zone **Saturday June 11th – Yellow Zone**
Saturday June 18th – Green Zone **Saturday June 25th – Pink Zone**

Each household is limited to ONE free half-ton load at no charge. All loads must be sorted. Any additional loads or items will be charged at the regular rates. This applies to Town of Outlook residences only.

Dutch Elm Disease

Dutch Elm Disease (DED) is caused by a fungus spread by elm bark beetles that breed under the bark of dead or dying elm wood. The Town will be marking and inspecting trees throughout the season.

If that wood contains DED fungus, each new generation of beetles can infect healthy elms.

You can help prevent DED by:

- Keep your own elm trees healthy;
- **Do not prune Elm trees from April 1st to August 31st;**
- If you see signs of DED, report them to the Public Works Department;
- Don't buy, sell, store, transport or use elm firewood; it is illegal;
- Remove and dispose of the tree promptly if DED is confirmed

To Flush or Not to Flush

A friendly reminder that what goes down your drain makes a difference. Do Not Flush Disposable Wipes!
ALL wipes, including napkins, paper towels, tissues, baby wipes, disinfectant wipes and "flushable" wipes clog up pipes, pumps and equipment.

2022 Property Tax & Utility Payments

The Town of Outlook is pleased to announce that we will be now accepting Credit card payments for Property Taxes.

E-transfer and Pre-Authorized Debit are also being offered as payment options for Taxes and Utilities. Please contact the office to set up!

Employment Opportunities

The Town of Outlook is hiring in all of our departments for the Summer Season! This includes, Public Works, Swimming Pool, Beautification, Kinsmen Park and Admin Office. Check out our Facebook Page, our website or give the Office a call for details on any position that may interest you.

Notices From The Department of Public Works

Branch Pick Up

Branch pick up will be take place following the following days:

May 24th – May 27th

July 4th – July 8th

Sept 6th - Sept 9th

Compost Pick Up

Compost pick up will begin the first week of April. (Weather Dependand)

Lawn clippings, leaves and other garden refuse may be left in a brown compostable paper bag, a neat pile or placed in a bin with the lid off.

We do prefer that compost not be placed in plastic bags as they tend to blow away after they have been emptied. If you do have the compost in a plastic bag, please leave it open so that it can be distinguished from regular garbage.

Please have compost ready for pick-up by 8:00am Monday mornings to ensure pick-up during the week.

Bagged Household Garbage

Double bag any household garbage that has liquid contents or items that may leak. Please keep all garbage bags to a manageable weight under 50 lbs. Remember Public Works staff are hand lifting 100% of the garbage bags each week.

2022 Fence Requirements

Development permits for fences are **not required** by the Town of Outlook, Bylaw No. 27(2020).

It is the responsibility of the landowner to ensure that your fence placement does not encroach an adjacent property.

Fencing requirements and more information can be found on our website: [Town/Permits & Applications](#)
