Greetings from the Mayor

Wow! We made it through our first year!

What a privilege it has been to act as the Mayor of Outlook and work with such an amazing Council and dedicated staff. Even though we are living in challenging and ever changing times, I believe at the Town of Outlook we are going in the right direction. We have lots of exciting projects in the works that will not only make Outlook a great place to live but one that our family and friends will want to visit. We want to be proud to say “I’m from Outlook”.

It has been my pleasure to meet old friends and new at Monday Morning with the Mayor and I will be continuing to be in Room 5 at the Town Hall again in the new Year starting January 10. Please drop in and say hello. I look forward to seeing you!

-Maureen
